PATENT AND TRADEMARK OFFICE

APPLICANT: Laddie L. James

TITLE: Improved Tack Spraying Apparatus

ATTY DOCKET NO.: 9066.002

HONORABLE COMMISSIONER OF PATENTS AND TRADEMARKS

INFORMATION DISCLOSURE STATEMENT

The following information is submitted with the application pursuant to 37 CFR § 1.97 et seq.

Applicant, through his attorney, submits herewith patents, publications, or other information of which he is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.
